Dear Jeff;

IMC Construction and the entire SLUHN Project Team would like to take a moment to express our appreciation to you for your dedication to the completion of the Upper Bucks campus hospital. A Construction Manager is only as good as the Subcontractors that we partner with and your participation in this project contributed tremendously to its success.

Please continue to login into IMC Estimator for future opportunities. We look forward to continuing a successful partnership with your firm.

Sincerely,

Arthur A. Brinkworth  
P.E., Project Director

Thanks Jeff!
